

BUILD A WALKWAY OF FRIENDS

Imagine the smiles and joy felt when a family finds an accessible playground for their disabled child!

The Advisory Board for the Disabled is constructing a Boundless Playground at Eastmonte Park in Altamonte Springs. This Playground will ensure that all children can reach the highest platform, travel across universally accessible pathways and surfaces, offer elevated activity panels where children of all abilities can play together, and enjoy sensory-rich activities that let the imaginations soar!

Help us bring joy to the faces of children who are challenged daily to do the simplest of things. You can be a hero to these children with disabilities by taking part in this exciting fundraiser.
