

**HELP BUILD A
BOUNDLESS
PLAYGROUND**

Children need to experience play for their emotional and physical growth. Often, barriers exist that prevent our special needs children from having this normal, common experience that other children have every day. Help us remove such barriers for these children by constructing a fully accessible play area at Eastmonte Park, in Altamonte Springs, the home of our Special Needs Programs.

“Boundless Playground”

BE A HERO TO OUR CHILDREN

The South Seminole Optimist Club, The Advisory Board for the Disabled and the City of Altamonte Springs are aware that often disabled children can not enjoy the simple pleasure of going to a playground with friends and family due to physical obstacles.

We want to correct this with your help. We are constructing a boundless playground at Eastmonte Park in Altamonte Springs.

Help us bring joy to the faces of children who face countless struggles to do the simplest of things. You can be a hero to these children now, by taking part in this fundraiser to help the disabled children in our community.

CONSTRUCTION IS UNDERWAY AND
EXPECTED TO BE COMPLETED BY THE
FIRST OF FEBRUARY.
THE GRAND OPENING WILL BE IN
MARCH.

What's a playground without crayons?

We are constructing a fence around the
"Boundless Playground" with crayons.
